Ref. No: NITK/AAIR/CSR-2023-24 Date: 05/12/2023

Applications are invited for Maire Tecnimont Postdoctoral Fellowships (MTE-PDF) for SustainableDevelopment

Applications are invited from interested meritorious candidates under **Maire Tecnimont Postdoctoral Fellowships for Sustainable Development,** for CSR funded research project on Waste Recycling and Circular Economy

Objective:

The Maire Tecnimont Post-Doctoral Fellowship (MTE-PDF) for Sustainable Development is aimed to identify motivated young researchers and provide them support for doing research in frontier areas of **Waste Recycling and Circular Economy**. The fellows will work under a Faculty member from NITK, and it is hoped that this training will provide them a platform to develop as independent researcher. The beneficiaries of this fellowship in the future can support the planners and policy-makers of local governments instrengthening their capacity to manage problems related to waste and access to clean water as well as energy. Further, they can also create employment opportunities, which will help in social upliftment and promote social integration as well as social inclusion.

The availability of the MTE-PDF's will be for one year. Interested candidates should fill in their academic and personal details in the prescribed application format and send the same alongwith attested copies of relevant certificates within 30 days from the date of advertisement to the contact person. Only the shortlisted candidates will be informed by post/E-mail/Phone/ Website: www.nitk.ac.in.

Shortlisted candidates should report to the contact person for certificate verification, followed by test and technical interview. The interview is most likely to be held during last week of December 2023. Any change in the date of the interview will be intimated through email. Selection will be based on qualification, experience, test performance, and interview. TA/DA will not be paid for attending the written test and interview. NITK, Surathkal reserves the right to reject any or all the applications without assigning any reasons thereof. Selected candidates will be required to join immediately.

Title project	Waste Recycling and Circular Economy
Sponsoring Company	Tecnimont Private Limited, Mumbai, Indian subsidiary of Maire Tecnimont S.p.A. Milan Italy.
Monthly Fellowships / Research grants available	Refer table 01 in P. No. 04
Number of Post- Doctoral Fellowships Available	Chemistry-01 (Green Chemistry)
Faculty/Mentors Associated from Department/Centre	Department of Chemistry
Tenure of availability of Scholarships	Currently for four months, extendable up to one years based on theavailability of funding and performance of the candidate.
Qualification and Experience	Post-Doctoral Fellowship
	PhD in Chemistry, Green Chemistry, Chemical Engineering
	Experience: Basic Knowledge on any one of the following Analytical Equipment: GC, GCMS, GCxGCTOFMS or PTR TOFMS or TGA FTIR, or NMR or ICP AES
Desirable qualities	The candidate must be able to work independently and flexibly and having the following qualities will be desirable. 1. Basic knowledge about laboratory/bench scale work with a technical focus on the basic fundamentals to understand and optimize the process 2. Implementation: Pilot/demonstration scale or the field application projects 3. Sustainability aspects: Financial, social, environmental aspects, models and simulations, theoretical evaluation, potential analysis, decision support tools 4. Excellent analytical and writing skills
Additional information	May be obtained by contacting the Head / CSR Project Coordinator/Project Supervisor, Contacting Maire Tecnimont Centre for Research in Waste Recycling and Circular Economy directly through email.
Last date for receipt of application	15 th December 2023

Interested candidates may apply in the prescribed format along with CV, photo copies of relevant certificates, grade/mark sheets, publications etc., and should reach NITK on or before 15/12/2023 by post/email (scanned documents) at the prescribed address below:

Eligibility:

- The applicant should be an Indian citizen
- The applicant must have obtained Ph.D degree from a recognized University. Those who have submitted their PhD thesis and are awaiting award of the degree are also eligible to apply. However, such candidates, if selected, will be offered a lower fellowship amount till they qualify for the eligible degree. They must be able to provide a provisional degree certificate from the degree-awarding institute.
- The upper age limit for the fellowship is 35 years at the time of the submission of application, age will be calculated by taking the date of closure of the respective call. Age relaxation of 5 (five) yearswill be given to candidates belonging to SC/ST/OBC/Physically Challenged & Women candidates
- MTE-PDF can be availed only once by a candidate in his/her career.

Nature & Duration of Support:

- The fellowship is tenable only in India and will be implemented at NITK, Surathkal. The Maire Tecnimont Centre for Research on Waste Recycling and Circular Economy, NITK, Surathkal, andthe respective department will provide necessary administrative and infrastructural support.
- The fellowship is purely a temporary assignment and is tenable for One Year. Extendable up to two years based on the availability of funding and performance of the candidate.
- The fellows will be entitled to receive the grants as given in table 1 below:

Table 01: Fellowship and Research Grants

Sl. No.	Budget Head	Amount
1	IHAIIOW/chin	Rs.50,000/- per month (consolidated) for candidates who have been awarded a Ph.D. degree
\mathcal{I}	Research Grant	Rs.50,000/- per annum

- Research grant can be used for minor equipment, consumables, contingencies, and domestic travel. There is no provision for providing manpower support under this scheme. The Fellow is expected to undertake the research objectives by himself/herself during the entire duration of thefellowship.
- The fellows are not eligible to receive any other fellowship from any Government or Non-Governmental source during the tenure of the fellowship.
- The fellows must seek the consent of Faculty Mentor/Project Coordinator/ Dean R&C if he/she intends to be away from NITK (except for fieldwork related to the project) continuously for a periodof more than eight weeks.

Selection & Mode of Application

The call for applications for MTE-PDF for sustainable Development will be notified through the website www.nitk.ac.in

- The application form along with a research proposal highlighting the objectives of the research workto be undertaken should be submitted online through the email
- The selection will be based on the recommendations of an Expert Committee that will be constituted by the Maire Tecnimont Centre for Research on Waste Recycling and Circular Economy, NITK, Surathkal and as per the procedure laid down by NITK, Surathkal
- Final Selection will be made as per the procedure laid down by NITK, Surathkal.

Title: Food Waste to Hydrogen Gas in Water

Abstract:

Waste to fuels and chemicals is the way for the future that solves the multifaceted problem of waste management, feedstock flexibility, and environmental footprint. A significant interest has been given to the value addition of food wastes into hydrogen or syngas. A suitable chemical-catalytic system must be developed that can convert a wide-variety of food wastes into hydrogen in satisfactory selectivity and yield under energy-efficient conditions.

How to apply:

For successful submission of the application the following points may be noted:

- Applicants should fill the form, which includes Bio-data, Photo, Institute, Address, etc.
- Details including Project Title (max 500 characters), Project summary (max 3000 characters),
 Keywords (max 6), Objectives of the project (max 1500 characters), Expected output, and outcome of the proposal (max 1500 characters) should be provided at the time of submission of the application.
- Work Methodology and Research Plan must be submitted in a single PDF file, not more than 3 pages (max 10 MB).

Documents required (in PDF) should be in prescribed format:

- Duly Filled Application
- Bio-data
- Age Proof Certificate
- Qualification Certificate
- Category Certificate (in case of Age Relaxation)
- Undertaking Certificate by the applicant (as per the attachment)
- Plagiarism undertaking

Termination of the Fellowship

- If any fellow wishes to terminate the fellowship, he/she shall inform the Maire Tecnimont Centre for Research on Waste Recycling and Circular Economy, NITK, Surathkal, through the mentor immediately with one month notice.
- Maire Tecnimont Centre for Research on Waste Recycling and Circular Economy, NITK, Surathkal reserves the right to terminate the Fellowship at any stage if it is convinced that appropriate progress is not being made or the grant has not been utilized properly.

Leave

MTE- PDFs are entitled to leave as per the rules of NITK. Participation in scientific workshops held in India or abroad will be treated as on duty. As per the Govt. of India instructions issued from time to time, maternity leave would be available to female candidates in all categories.
